DO NOT RELEASE  
PRIVILEGED (DELIBERATIVE; PREDECISIONAL; ENFORCEMENT)

Please review the attached consent decree and make **redline/strikeout changes** and add comments.

Ursula and Casey, please search asterisks. At the asterisks, there are dates or time periods that you should review. There are also blanks to fill in. Please pay particular attention to places where I have put Ursula's name.

To all: Please pay particular attention to Section IV. (Definitions); to Section XVI (Payment for Response Costs) paragraphs 54 -61; to Section XX (Plaintiffs' Covenants) paragraphs 87 - 99; and to Section XXII (Settling Defendants' Covenants) paragraphs 100-107.

Doretha: Please carefully review Section XVI (Payment for Response Costs) paragraphs 54 -61.

This is urgent because we need to get it out to Doe Run and NL in order to complete our settlement.

Thanks,  
Jim
